Data Service Center

Custom Printing and Mailing

The DSC printing staff are highly experienced in providing high quality, full-color or black and white printing services including Certificates, Newsletters, Postcards, bar-coded Library Cards, Attendance Letters, and more. DSC also provides custom mailing services using data extracted from eSchoolPlus or any other data source. By following USPS regulations and utilizing USPS authorized tools, we can provide bulk-mailing services at a substantial savings. Examples of mailings we process include Assessment Letters, Transportation Mailers, Choice Letters, and Referendum Flyers/Brochures.
